11	Players' location	games except with the permission of the coach.
12	Player Equipment	<p>Catchers must wear full protective gear (i.e., helmet /mask with throat protector, chest protector, and shin guards) and locate themselves behind home plate so as to be in position to catch the ball on the fly from the pitching coach. If the batter is hitting from a tee, then the catcher should position themselves by the backstop behind and to the side of the batter. Any player on the offensive team who is outside of the dugout on the playing field must wear a batting helmet with ear protectors.</p> <p>Pitching masks will be provided in each equipment bag for both baseball and softball. Players are strongly encouraged to wear the protective pitching mask while playing the pitching positions during coach pitching. Any softball player, engaging in player pitching, must wear the pitching mask while pitching.</p>
13	Players in the game	<p>All players present are in the batting order. The infield has 7 players with two pitchers placed one on each side of the pitcher with all remaining players distributed across the outfield. Pitchers must be even with or behind and in reasonably close proximity (5') to the pitching rubber. All outfielders must start each pitch on the grass. Coaches are strongly encouraged to shift players around the fielding positions within the guidelines of maintaining player safety. A player that cannot catch or who has difficulty concentrating on the game should not be placed at defensive positions that could be dangerous to them (i.e., pitcher, first base, catcher). Within the constraints of safety, coaches are required to have all players play infield and outfield positions during the course of a game. A team may play regardless of how many players they have.</p>
14	Eligible Players	<p>Under no circumstance is a player who is not currently registered with NLCBS allowed to play or participate in any NLCBS game. This rule is applicable regardless of any agreement between the coaches of any particular teams. This rule does not affect the ability of a team to "borrow" a registered player from another team, so long as the opponent's coach does not object and is given adequate notice prior to the commencement of that game.</p>
	<u>DEFENSIVE RULES:</u>	
15	Coach Pitching / Player Pitching	<p>During all Rookie Ball games played in May, coaches will pitch to all batters in Rookie ball. Each "coach pitcher" is allowed five pitches to each batter. If at the conclusion of those five "coach pitches" the at bat is not concluded, the batter shall hit off a tee.</p> <p>During all Rookie Ball games played in June or July, players who were in third grade may pitch to opposing batters. Each "player pitcher" may only pitch one inning per game. Each "player pitcher" shall be allowed no more than three pitches to each batter, regardless of the status of the pitch (i.e.: ball, strike, foul tip, ball in play). If at the conclusion of those three "player pitcher" pitches, the at bat is not concluded, the "coach pitcher" shall have no more than three pitches to the batter. If at the conclusion of those three "coach pitches" the at bat is not concluded, the batter shall hit off the tee.</p> <p><i>At all times that a player-pitcher is on the field, the coach-pitcher needs to be positioned to protect the player-pitcher from any batted balls; this is particularly the case when the player-pitcher is engaged in the activity of pitching to a batter.</i></p>

16	Ending a play	Play is NOT ended by getting the ball to the coach who is pitching. Play is ended by defensive efforts that stop base runners from advancing. When base runners are stopped. The ball can then be given to the coach at the pitching mound so that the next batter may hit.
17	Defensive Obstruction	Defensive players without the ball must yield right of way to base runners.
18	Coach Interference	Base coaches may not touch players when the ball is in play. Coach interference results in the runner being called out. No defensive coaches may be on the field of play when the ball is in play.
	<u>OFFENSIVE RULES:</u>	
19	Batting Lineups	All players in attendance are in the batting order.
20	Batting Order	Coaches are encouraged to shuffle their batting orders from game to game so that players have the opportunity to bat at different positions in the order. If a player arrives within the first 30 minutes of the start of the game, they will be added to the bottom of the batting order. If the player arrives after the first 30 minutes of the game, they are not eligible to play in that game.
21	Regulation Bats	<u>Baseball</u> : Any recognized baseball bat will be allowed. No softball bats will be permitted. <u>Softball</u> : Any recognized softball bat will be allowed. No baseball bats will be permitted.
22	Batting Procedure	Each batter is allowed to swing at 5 pitches from the coach. No bunting is allowed, but a “swinging” bunt that puts the ball in play is a legitimate hit. If the player has swung at none of the five pitches, or if the player has swung at some of the five pitches, but has not put the ball into play, then the player is allowed to hit off a batting tee. The coach will place the tee on home plate, place the ball on the tee, and announce so that the defense can hear that the ball is in play, get out of the way and let the batter swing. After the hit, the coach should hurry to move the batting tee away from home plate. The player hitting off a batting tee has three chances to hit the ball. If they do not put the ball in play with three swing opportunities they are called out. <u>A foul ball on the third attempt is considered an out.</u> If any ball put into play hits the pitching coach, this is considered the same as if the ball were to hit the pitching rubber: The ball is in play, even if the rebounded ball goes into foul territory. Coaches must pitch overhand from at least a distance of 20’ from the back of home plate.

23	Bat Throwing	No bat throwing is allowed. On the first occasion, the coach will warn the player and instruct them on how to properly drop the bat after hitting. On subsequent occasions, the player will be called out and base runners will return to their base in preparation of the next batter up.
24	Rounding first base	All runners should turn towards foul territory (runner's right). Base runners turning left towards 2 nd base will not be considered an attempt unless they make a significant move towards 2 nd base. Umpires have been instructed to give the base runner the benefit of the doubt, as players at this level sometimes turn to the left even when there is no intent to advance towards 2 nd base. Base runners making a significant move towards 2 nd base will be called out if they are tagged, unless on a base.
25	No Stealing	There shall be no stealing of bases in rookie level. Players may only advance the bases on batted balls in play.
26	On base rule	Base Runners must start with one foot touching the base and may not run until the ball is hit.
27	Sliding	Base runners must avoid contact when running bases and infielders must avoid contact with the base runner. Any flagrant attempt by a base runner to collide with a fielder (including the catcher) will result in the runner being called out.
28	No "one hit, one base" rule.	Players are allowed to advance bases at their own discretion on batted balls in play. I.e. there is no "one hit, one base" rule in this league.
29	Overthrow Advancement	Baserunners may only advance one base on an overthrown ball, even if there is a subsequent overthrown ball. Players may not advance to home on an overthrown ball.
